

TAYLORS®

discoveries

In the 1960s, Bill Taylor Snr fulfilled his dream to uncover the perfect vineyard site in South Australia. As we dug our first vineyard dam, we unearthed fossilised seahorses, a discovery that showed the promise of the land and its fertile soils. Today, the seahorse is featured on our labels as a symbol of quality and celebrates Bill's discovery.

CHARDONNAY 2021

REGION

South Australia

COLOUR

At release, the wine is pale straw with a slightly green tinge.

NOSE

Fresh, lifted aromas of yellow peach, along with some subtle tropical fruit characters and a touch of lemony citrus.

PALATE

This wine is mouth-filling whilst still having a light and delicate texture. The mid palate is of medium weight with fleshy peach, subtle pineapple and citrus flavours. There is a refreshing, tight acidity and a lovely clean finish.
